Superintendent Eastman Will
Squelch the

BOYS WHO SHOOT THE BIRDS

And Otherwise Make a General Nuisance
of Themselves With the Aid of
Flint Rifles.

Little business of importance was transacted at the weekly meeting of the board of police and fire commissioners yesterday. Fire Marshal Lemon recommended that the old Paddock property, near the intersection of Lake avenue and Cherry street, be purchased for an engine house site. The price for the four lots is \$2,000. The board will visit the proposed site. Superintendent Eastman reported the weekly list of crime. Commissioner Withy complained to the superintendent of the practice of boys in shooting birds on private grounds. The superintendent said that in the future boys using target guns indiscriminately would be arrested. A representative of the American Fire Engine company of Seneca Falls, N. Y., appeared before the board and offered to sell a Button engine for \$4,000. The board tried to get him to take two old engines in return, but he refused and no deal was made.

Fire Marshal Lemon recommended for confirmation William Curtis and Fred Muchlen for full time laddermen at No. 1 house; Henry Beekman for lieutenant of truck company at No. 1; Fred Hensler for full time ladderman at No. 1 house; John Mason for lieutenant of the truck company at No. 3 house. Referred to committee on men and discipline.

Samuel McCullough asked to be reimbursed in the sum of \$10, which amount had been deducted from his monthly pay. Referred to committee on finance.

The committee on men and discipline reported in favor of reinstating Thomas Pomeroy on the police force. Adopted.

Printing the Annual Report.

The committee on finance recommended that \$3,180 be appropriated for the purchase of the necessary supplies for extending the fire alarm service. Adopted.

Commissioner Lottger reported in favor of awarding the contract for printing 500 copies of the annual re-

port to the West Michigan company for \$1.24 per page, the work to be done in two weeks.

On motion of Commissioner Bender the secretary was instructed to furnish written requisitions from the superintendent of police for funds for the traveling expenses of detectives and police officers in arresting criminals who had left the city after having committed crimes within the corporation. Accounts were audited to the amount of \$10,214.06, of which \$4,928.52 was in the police department account and \$5,285.54 on the fire department account. Of this amount the pay roll of the police department amounted to \$4,758.25 and of the fire department to \$5,118.46.

The final decision on the petition of William Reeves for damages for injuries received at the Powers' block fire was postponed for one week.

The board also decided to make some more improvements and changes in the arrangement of affairs at the new police headquarters.

Cochran's and Caspersen's Capers. Warrants were issued yesterday for the arrest of John R. Cochran and Christopher Caspersen. Caspersen is accused of stealing a bicycle from L. W. DeLune on Thursday. He was supposed to have gone to the southern part of the state and telegrams were sent to officers along the line to arrest him. He was arrested yesterday afternoon at Marshall. He rode the bicycle to Crosby and boarded a Michigan Central train for the east, taking the bicycle with him.

Cochran will be arrested on complaint of the Hon. C. W. Watkins, who charges him with having obtained money under false pretenses. He secured Mr. Watkins' endorsement to three promissory notes amounting to \$750, representing that he owned valuable property in Minneapolis. He had some business relations with Mr. Watkins, who supposed his representations were correct. He turned over a deed to some of the Minneapolis property as security for the endorsement. Cochran sold the notes and skipped with the proceeds. Mr. Watkins afterwards learned that the Minneapolis property was heavily encumbered with mortgages and numerous other claims. Cochran's whereabouts is unknown at present.

Claims Langland Robbed the Till. Andrew Langland was arrested yesterday for larceny from a store in the day time and when arraigned in police court in the afternoon he pleaded not guilty. Albert Weisener, the West Bridge street saloonist, made the complaint. He said Langland went into his saloon at 9 o'clock yesterday morning and finding no one there he took his wife's money from the till. She was so frightened that she did as ordered. He took \$9 from the drawer and departed. He is of the tramp order and

is lame, having to walk with a cane. His examination was set for July 14. When arrested he had a revolver and a box of cartridges. \$4.80 in money and a few minor articles. It is said that he is a brother of the man arrested Wednesday night for stealing a bicycle.

Connors Was Acquitted.

Daniel Connors and a friend went into Albert Weisener's saloon on West Bridge street July 5 and Connors ordered two glasses of beer. After they had drunk the beer he said he had no money, and Weisener, to get even, snatched Connors' hat. It was charged that Connors then put his hand into his hip pocket and drawing a revolver partly out threatened to shoot Weisener. He was arrested on a charge of carrying concealed weapons, but when his case was tried in police court yesterday he was acquitted.

First in the New Cells.

Jack Bugle was arrested yesterday on East Bridge street by Undersheriff Walsh for breach of the peace and locked up at police headquarters. Bugle is the first man to be locked behind the bars in the new building and was put into cell 2. He is well known to the detectives and has done time in penal institutions.

Ingram's Rig Hasn't Returned.

Joseph Ingram, a liveryman at No. 520 North Front street, has reported to the police that a man giving his name as Pat Dear hired a rig of him July 7 and has not returned. It was a bay horse with white star in forehead and a spiral spring carriage. He fears the rig has been stolen.

Bradner Held for Trial.

George Bradner was held to the present term of the circuit court by Justice DeWolf yesterday for trial on a charge of attempting to poison George Murray with paris green. Bradner is now in jail in default of \$2,000 bonds.

Court Notes.

E. D. Thornton was adjudged insane yesterday by the probate court and last evening he was taken to Kalamazoo by members of Valley City lodge No. 157, I. O. O. F., who will defray the expenses of his treatment.

Ezra Darling was acquitted by a jury in Justice Westfall's court yesterday on a charge of cruelly beating his horse.

DULLAN'S GREAT GERMAN MEDICINE CO. My daughter has been afflicted with female trouble for over six years and I have paid out over \$750 in vain trying to find relief for her.

A lady friend advised me to secure a bottle of Dullan's Great German Female Uterine Tonic and she has been completely cured by it.

We gave it a fair trial and the results were wonderful. We cannot recommend it too highly to all ladies who are afflicted. BENJAMIN GANOK.
